

FINE FOOD & DRINK TO ENJOY HERE OR TAKE ON YOUR WAY

Soma Eats is a modern cafe in the heart of downtown San Francisco. Drawing inspiration from our own family recipes—we created a menu based on everyday favorites, punctuated by bright, global flavors. We use the highest quality seasonal ingredients to offer food we feel passionately about. In addition to our café with great eats and a rotating selection of local coffee, The Bottle Shop at Soma Eats showcases a curated selection of wines, craft beers and fine spirits. Our beer and wine selections pair perfectly with our menu items. We encourage you to grab a bottle from the case and find a cozy spot for on-site enjoyment.

We like to keep things consistently casual, drop in morning noon or night without a reservation.
